

# GLOBAL LEADERSHIP PROGRAMME

# EXPLORE, LEARN & LEAD

30 July – 12 August 2018 // St Donat's Castle, WALES, UK

## WHAT IS GLP?

The GLP is an intensive, interactive and experiential learning summer programme that aims to strengthen the role that young people play as leaders in their community and beyond.

The Programme is a unique blend of indoor and outdoor learning that develops leadership skills around critical thinking and skill building, design thinking as well as working in diverse teams.

## COURSE OUTLINE

- **Economic Development:** We will look at how economic thinking is moving in the direction of sustainability, equality and new measures of performance and success
- **Skill Development:** We will teach you how to organize your time and work, how to develop your leadership styles and how to work well in teams and have impact
- **Outdoor Learning:** By participating in outdoor adventurous activities you will interact with the natural environment as well as learn trust, respect, resilience and how to challenge yourself through positive risk taking
- **UWC Capstone Project:** There will be a final project to a panel where participants will share learnings from their teamwork
- **Fun and Connection:** With over 50 years experience, the UWC movement brings an international understanding to its communities through sharing traditions and cultures from around the world
